

Christians Need Not Fear the Corona Virus

Mark 16:17-18

And these signs will accompany those who believe: by using my name they will cast out demons; they will speak in new tongues; they will pick up snakes in their hands, and if they drink any deadly thing, it will not hurt them; they will lay their hands on the sick, and they will recover.”

Luke 10:19

See, I have given you authority to tread on snakes and scorpions, and over all the power of the enemy; and nothing will hurt you.

Well, that's an amazing promise, isn't it? Not many of us feel any great desire to start picking up poisonous snakes or drinking arsenic. But, if ever there were a time to put our faith in Jesus' words and to put that faith to work for Jesus, this is it. Jesus is telling us that we need not fear the corona virus. We've already seen his solid promise to give us whatever we ask for with faith through prayer. So, by simply asking God to protect us from the corona virus, we can be sure we will not contract the disease. That means we are free, then, to help others who do or may have the virus.

This amazing ability is what we must demonstrate to the world of unbelievers. We cannot afford to waste this opportunity to let our faith shine, to show the world the power of prayer and faith in Jesus Christ. As we go out en masse among the population, helping and healing those in need without fear of getting sick, in spite of exposing ourselves to those with the virus, we will impress those who need to turn their lives over to Jesus. As the experts see the statistics which prove that Christians are the one group that is immune to the corona virus, the masses will marvel. People will flock to churches, and they will begin studying the Bible in earnest.

Let's go!
